

My Fountain of Salvation - Carlos Ariel Fernandez

I am transformed
soaked in Your presence
Renewed my life
I have a purpose

I walk with new eyes
I see Your glory
You lead my walk
You write my story

and now i sing

Chorus:

My chains are broken
I'm free to worship
You are my fountain of salvation

Flows like a river
Your healing water
poured on my life

Now make me like You

Verse 2:

Your joy makes me **strong <**
(beat falls here)
as You fill my heart
You are the rock
I put my faith on

Lord you amaze me
with what You can do
I can never imagine
my life without You

and now i sing

CORO:

Rotas son mis cadenas
Soy libre a adorarte
Eres mi FUENTE DE-Salvaacion
El río fluye
Agua que sana
vierte sobre mi
Haz me como Tu

BRIDGE:

My heart is longing to cry out, there's no one
above you, Jesus
You are the way and the truth and the life,
Lord i Love you, Jesus
